To Whom It May Concern:

Randolph, MA (Entity ID PL2556000) wishes to challenge group quarters populations under the Post-Census Group Quarters Review program. As the highest official, I designate Susan Strate and Meghan Flanagan at the UMass Donahue Institute to prepare and submit a challenge submission on our behalf.

Based on discrepancies in block-level GQ populations between our records and the P.L.94-171 Redistricting Data, we include in this challenge one 301-type GQ and 56 801-type GQs outlined in the 2020 PCGQR Response Template file, which all are certified to exist on April 1, 2020.

In the Response Template, please see the "notes" column on the "GQ Name (Required)" tab for a description of each GQ case, as well as descriptions of evidence sources, and other information confirming the validity as supporting documentation. We also submit the supporting documentation for each GQ (2020pcgqr_RandolphMA_PL2556000_evidence.pdf), which includes resident counts of each facility from the following sources:

- Louisne Fortune at Care One Skilled Nursing Facility on 49 Thomas Patten Dr. (one 301-type)
- Kaitlyn Spencer, Area Director at the Massachusetts Department of Developmental Services (48 801-type)
- Matthew Page, Director of Residential Services at the May Institute (eight 801-type)

Please contact Meghan Flanagan (mmflanagan@donahue.umass.edu) or Susan Strate (ssstrate@donahue.umass.edu) at the UMass Donahue Institute with any questions.

Sincerely,

Brian Howard
Town Manager
